

Business Chicks Immersion Program

Setting up a personalised fundraising page

You can create a fundraising page on our website where your family, friends and colleagues can make donations directly to THP via page dedicated to you, taking away the complexities of dealing with money and receipts. Once you have created your fundraising page, you will have your own URL to share.

Follow the steps below to create your page.

Step 1: Prepare

Before you begin setting up your page we recommend saving the text that you would like to appear on your page in a word document so you can easily copy and paste onto the webpage – this ensures your content is saved in separate document in case of any site or internet connection issues.

The great thing about our web platform is that it is editable and you can make it your own with photos, blog posts and the ability to send emails to your donors.

The content you will need is:

- Personalised fundraising page title
- A paragraph or two about 'why' you're fundraising – think about why are you asking people to support you. Try and keep this to about 300 words
- A Photo of yourself – Square jpeg -72-96 DPI, preferably 600 x 600

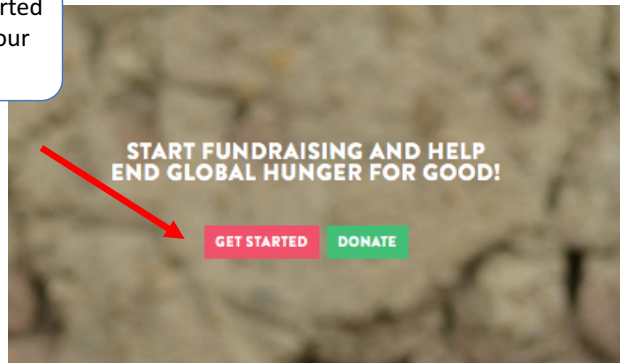

We have drafted a few templates to get you started. They will be found in the within the fundraising platform when you create an ask or thankyou email. These are completely editable. If you want to create your own, you may want to consider creating some or all of the following;

- A short description of program and the reason you have made a commitment raise funds for The Hunger Project
- An 'ask' email template that you can send to people to get support, to let them know that you are fundraising, for what and how to donate
- A Thankyou email that can be sent to people that donate to you
- A blog post or two!

Step 2: Setting up your page

You can find the set-up page by going to <https://join.thp.org.au/event/bcindia/home>
You will be directed to the home page, look for the **Get Started** button

Step 7 – Go to your email, open the email with subject title: You're in, let's do this! Confirm fundraising page via Hunger Project email by logging into your page

Dear Frieda,

Congratulations and thank you so much for registering for Business Chicks 2018 Senegal Journey, supporting The Hunger Project Australia.

Next steps to smash your fundraising...

Follow the prompts to login to your page and personalise it.

Personalise your page: Add a photo to your online fundraising page and also update your page as to why you are taking part in Business Chicks 2018 Senegal Journey. Two actions show your potential donors why you want to make a difference and why you are fundraising for The Hunger Project Australia.
